**Introduction: -**

A special lecture on **Communication & Soft Skills** was organized on 17-02-2023 by Dept. of English. Dr. Shirmangale M.D from Vasantryao Kale Mahavidyalaya, Dhoki was invited as a Chief Guest for the program. He quoted W. B. Yeats "Think like a wise man but communicate in the language of the people." Further he stated that Having knowledge, i.e itself is not enough, we need to communicate it to others effectively. In fact effective communication is one of the keys to success. By successfully getting our message across, we convey our thoughts and ideas effectively. The message is the information that we want to communicate. It is essential to be technically sound, but we should also have the ability to express and communicate our ideas clearly and effectively to others in the simplest possible manner. Effective communication and soft skills not only improve our relationships with others, but they also improve our efficiency. Dr. Gambhire P.U & Dr. Kazi Z.A were present for the program, Dr. Gambhire proposed vote of thanks.
