Our Distinctiveness

The college, Sharadchandra Mahavidyalaya Shiradhon, is established and run by Hindustani Education Society AUSA, the parent institution in the year 2001 by the late Hon. N.B. Shaikh. Shiradhon is a hamlet in the Indian state of Maharashtra, located in the Kallam Taluka of the Dharashiv (Osmanabad) District. It is a part of the Marathwada area. This village is among the developing ones. The majority of the villagers work in agriculture-related fields. They are denied access to opportunities and higher education. The college is providing the best educational facilities and opportunities to the rural, and underprivileged students. This college is a co-educational institution recognized by UGC under section 2(f) and 12(B). It is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Chhatrapati Sambhajnagar (MS).

It promotes decentralization to conduct smooth and transparent functioning. With the continuous efforts of management, staff, and students have resulted in making the college as the most preferred college in the region. An excellent coordination between the management, faculty, student, alumni and parents is the strength of the institution. Along with the University curriculum we certificate courses to the deserving and promising students. The college has a rich tradition and practice of reaching out to the poor and socially as well as economically disadvantaged students since its inception. Our institution's motto is 'Satyamev Jayate' सत्यमेव जयते. Our college's objective is to impart higher education for students' holistic development to make them responsible citizens of India. They are hence self-assured and independent.

The distinction of the college is as follows.

1) Certificate Courses:

The college conducts certificate courses in various subjects with the aim of increasing the knowledge of the students for their overall development. This course strengthens knowledge, communication, skills, creativity and productivity for job opportunities.

2) Education for Sustainable Development:

An International Conference on 'Environment, Climate Change and Physical and Human Dimensions of Sustainable Development' was organized by the Department of Geography in the college. It discusses about five volume with 289 research papers on 'sustainable development'. Besides this college organizes various programs on tree plantation, value education, celebration of birth anniversaries of national leaders, national/international days by NSS and cultural department. The college contributes to sustainable development through activities like study tour, project work, research, seminars etc.

3) Social Contribution:

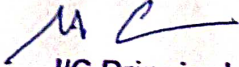

The college has entered into MoUs with some colleges as well as with various entrepreneurs, shopkeepers, and village panchayats etc. which only ignite students learning. The college building has been given as a quarantine centre during pandemic of Covid 19. Apart from this, the college felicitated corona warriors of the village who have worked by risking their lives and set an example of humanity, fraternity and brotherhood. Apart from this, the college provides financial support to the poor and promising students of the society.

4) Priority for Higher Education:

The college offers 11 courses (English, Marathi, Hindi, Urdu, Economics, Public Administration, History, Sociology, Political Science, Library & Information Science, and Geography) in the faculty of B.A. All the faculty in our college are experienced and most of them are Ph.D. degrees holders.
