Report of the Activity

Date: - 14-09-2020.

Introduction: -

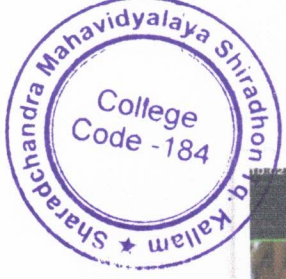

During the global epidemic of Corona, in order not to harm the students, classes were held through the online app of Zoom meeting for all subjects through our college. How to take this class, how to create a link for professors to take class and also how to join the link for students to attend this class. By giving information about this, the time sheets of all the subjects were taken through the Zoom app. Here we present the screen shot of the clocks taken by the history department as a sample.

Outcome: -

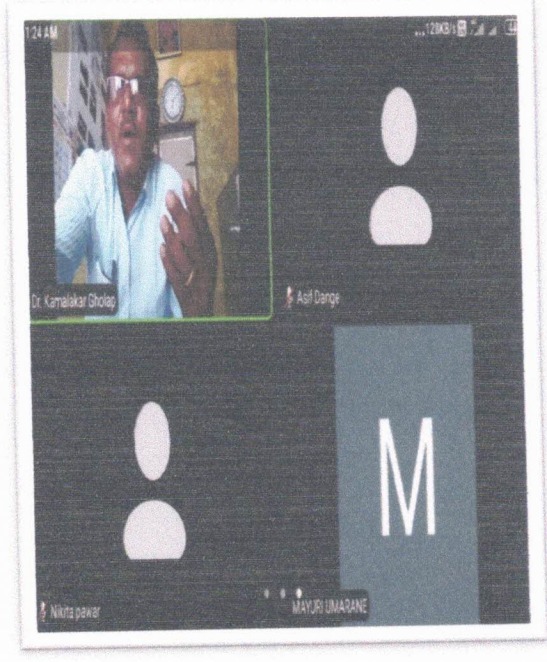

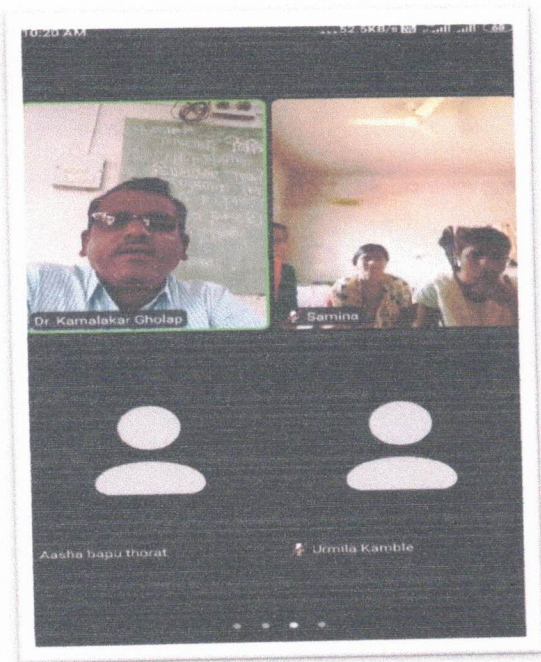

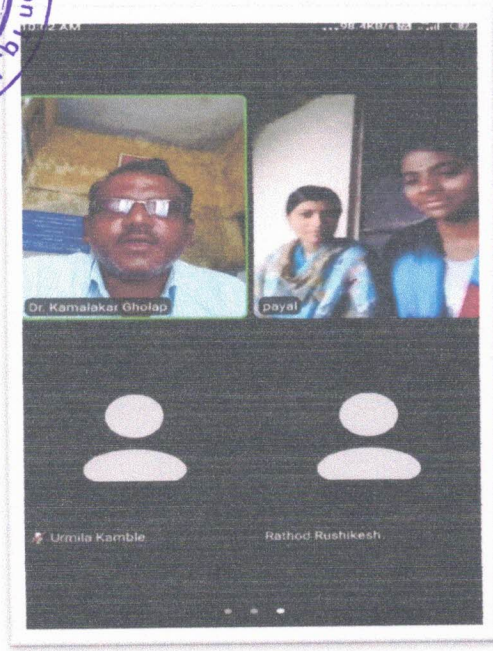

- Although it is not possible to come out during the Corona period, the academic loss of the students could be avoided by taking lessons through this Zoom meeting.
- The knowledge of the students has increased as students can study online at home.
- Students got information about how to attend zoom meeting and how to learn the course through it.
